of Bangalore, who had also originally applied for the same site, are reported to have agreed, on a personal interview with the President, to have a site for their "Mandir" on the East Fort glacis near the Kalasipalyam Police Station. In such circumstances, draft order sanctioning the grant of ~~[illegible]~~ and two acres of land to the Branch Society is submitted for approval or other orders. The application dated the 21st August 1905 is to hand by the 3/11/05 President of the Society when it is proposed, pending before the Dewan on 31/1/05. 2 This has to be taken up with reference to the question of building the City Municipal Schools & of allotting site for the Chamarajpet proposed to be built by Dewan Bahadur Raghunatha Rao. Calls for the plan and elevation of the buildings proposed to be constructed by the Theosophical Society

3 10 Letter No 334 dated the 9th March 1906 from the President

Submits the plan and elevation of the buildings called for

11 The plan and elevation of the buildings proposed to be put up by the Theosophical Society, which were called for by the Dewan for inspection before sanctioning the grant of the site asked for by that Society, have now been received.

Judging from the very neat elevation the buildings is likely to prove an ornament to the Fort glacis, but the grant to the chattram of the front portion of the site applied for is likely to throw the Theosophical Society buildings very much into the background. The Society has asked, therefore, that provision may be made for giving it an approach from the South-east corner of the Fort South gate. The request may perhaps be complied with when the fort trench is filled
